THE PASS WORD

Program News

Meet our new Finance Officer!

After over 7 years of serving at PASS, Deanna Burris, our Finance Officer, has retired. She is already enjoying her free time and enjoys “having no schedule.” Deanna will be no stranger to PASS though as her daughter Sami still attends the Day Program.

Cathy Winston, of Winston Bookkeeping, has accepted the responsibility of being our new Finance Officer. She was introduced to us by Marilyn Moen, one of our parents and a Board member. Cathy owns her own bookkeeping and payroll service and brings much experience with her including bookkeeping, payroll, accounting, and is a Certified QuickBooks Pro-Advisor.

Cathy has been married for 16 years to her husband Kevin who is a musician and music teacher. They have two children—twin 28 year olds—a boy and a girl. They also have three grand-kids ages 4, 3, and 1.

When not working with numbers, Cathy enjoys camping, hiking, and downhill skiing. Recently she and her husband traveled to Brazil for a church mission trip. Pictured at right she and Kevin are at Iguacu Falls.

More New Faces at PASS

Hi, my name is Destiny Spruill. I am new to PASS. I previously worked in a group home for adults with developmental disabilities. I now cannot imagine doing anything else.

I hope to pursue a career as a special education teacher, working with children with developmental and physical disabilities.

Although here a short time, I am enjoying my experiences as well as the friendships being formed.

Destiny Spruill

I have a degree in English and my experience has been with preschoolers, but my passion is helping people and I am so happy to have found a new and exciting challenge here at PASS.

In our free time my husband and I enjoy taking our dog to the coast. I also love gardening, sewing, knitting, and reading.

Thank you to everyone for making me feel so welcome.

Stephanie Ellwood

My name is Ayesha Murray. I was born and raised here in Portland, Oregon.

I am a loving devoted woman that loves to help people.

I have a six year old son that I love to spend time with on my off time.

I have been working in the caregiving field for a few years now. I really love it and plan to stay in the field.

My wife and I moved to Portland two months ago, and love living here in Portland!

I'm from Minneapolis, but prior to moving to Portland I worked as an English teacher in Kiev Ukraine. When my wife and I returned to the US we felt that Portland was the place for us.

I am so happy to be working at place like PASS. This past month of working here has been a lot of fun, and I love forward to serving you all further.
